

## **CLARO'S ITALIAN MARKETS, INC.**

With six locations in southern California, Claro's Italian Markets, Inc. has been family-owned and operated for almost 60 years. We offer a wide variety of specialty food products, baked goods, wine and delicatessen items. We operate a USDA meat plant and produce our own fresh Italian sausage and ready-to-eat pasta specialties and sauce. We import many of our items directly from Italy and operate a very active wholesale department. Our website, established in 1998, enables us to reach a global market and we ship our products all over the world.
